Volunteer Opportunities

Special Skills Needed

We often need volunteers who have special skills, including:

- vet techs
- keepers
- veterinarians
- computer skills
- grant writers
- carpenters
- plumbers
- electricians
- welders
- landscapers
- teachers

Off Site Volunteer Opportunities

There are many very important volunteer jobs that do not require you to travel to Southwest Wildlife, including:

- writing grants
- wildlife education
- fund raising
- general office work
- writing about wildlife

On Site Volunteer Opportunities

Volunteers are essential in most aspects of our operations:

- wildlife education
- veterinary clinic
- animal care
- animal rescue
- fund raising
- grant writing
- office work
- transportation
- construction
- gardening
